

LECTURER/SENIOR LECTURER DEPARTMENT OF STATISTICAL SCIENCES FACULTY OF SCIENCE

We invite applications at Lecturer and Senior Lecturer levels on standard academic conditions of service or academic teaching conditions of service.

The Department of Statistical Sciences at the University of Cape Town is responsible for lecturing and research in the disciplines variously known as Statistics, Operations Research, Quantitative Methods, Data Science, Machine Learning, Decision Science and Analytics, and includes the application of the Statistical Sciences in all areas of human endeavour. The department offers qualifications in these disciplines at undergraduate and postgraduate level to students from Science and Commerce and service courses to other faculties. The department has a strong record of broad interdisciplinary work in its teaching and research.

For these positions, we are interested in either (1) candidates who can teach in the statistical sciences, conduct research and supervise postgraduate students, or (2) candidates interested and experienced in blended learning approaches to teaching of statistics. We prefer candidates from the following areas: Biostatistics, Data Science, Operations Research, Machine Learning or Multivariate Statistics.

To view and apply for this position, please visit the UCT Jobs site [View](#) (For Internal Applicants) and [View](#) (For external Applicants) to create a profile and to submit your application.

Closing date: 01 April 2025
