

LECTURER / SENIOR LECTURER / ASSOCIATE PROFESSOR

Department of Physics Faculty of Science

The Department of Physics is a dynamic and growing academic department in the Faculty of Science at the University of Cape Town and seeks to fill a permanent academic (teaching plus research) position at the rank of Lecturer, or Senior Lecturer or Associate Professor.

We seek to strengthen our present and future research experimental activities within the ALICE collaboration at CERN, through the UCT-CERN Research Centre. UCT is committed to the detector upgrade projects for the ALICE collaboration.

The university is in close proximity to the Centre for High Performance Computing, and iThemba LABS national accelerator facility. The Department is also affiliated with the SA-CERN programme, which funds travel and infrastructure for CERN related projects.

To view and apply for this position, please visit the UCT Jobs site [View](#) (For Internal Applicants) and [View](#) (For external Applicants) to create a profile and to submit your application.

Closing date: 20 June 2025
